

2018 - 2019 Calendar for System Critical Dates

Ga Code 20-2-851

Personal leave will not be approved on designated critical days.

The Superintendent may make an exception and approve an employee to be out on personal leave; however, the leave will still be **without pay**. If an employee is denied personal leave on a critical day, they are to report to work; failure to report for denied personal leave will be treated as insubordination.
