Curriculum/Service Proposal:

1. Describe your program or service.

2. Describe how the activity will focus on raising student academic achievement.

3. Describe the outcomes expected to be observed (i.e. behavior, increased knowledge, specific skills, etc.)

4. How much needed time is allocated per day to deliver your program or service?
Note: Set up and clean up times are not included in your program delivery time.

5. In order to expose students to a variety of rich academic experiences, service providers can usually expect to deliver their program or service on a weekly, bi-weekly or monthly basis. What is the suggested schedule to deliver the proposed program or service (duration, frequency, etc.)?

6. What is the cost (per hour, per session, etc.)?
Note: The school and/or afterschool program provides classroom space for contracted activities. Supplies and other materials are the responsibility of the provider.

7. Please attach a lesson plan for an actual lesson you will be teaching for this proposal
