Banned Books Week 2019 will be held September 22 – 28. The theme of this year’s event proclaims “Censorship Leaves Us in the Dark,” urging everyone to “Keep the Light On.”

By focusing on efforts across the country to remove or restrict access to books, Banned Books Week draws national attention to the harms of censorship. Visit the CHS media center to see some the books that made it on the list or visit the website
